

# **Prof Thomas Similowski**

**Head of Respiratory and Intensive Care Medicine**

Prof Thomas SIMILOWSKI, 49, is the head of the department of respiratory and critical care medicine at La Pitié-Salpêtrière, Paris, France. Within the Paris 6 university, he has founded the “Respiratory Pathophysiology Laboratory”, a human research facility devoted to the study of central and peripheral respiratory neurophysiology. The Cournand lecturer 2000 of the European Respiratory Society, Prof SIMILOWSKI has published above 180 peer-reviewed articles in various fields of respiratory physiology and medicine. Since 1996, he coordinates the unique French centre for phrenic pacing, with above 50 implantations to date. The team received a French “Victory of Medicine” for this activity in 2004.
